Specialist Creative and Performing Arts Program

Dear Families,

Welcome to the 2023 school year. Strathfield North Public School provides students with an inclusive and supportive creative and performing arts program. The school provides specialist instruction in music, drama and dance to support their attainment of the Creative Arts K–6 primary curriculum.

We value open communication with parents. Professional relationships will be based on transparency, honesty and mutual respect. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately. Communication will be timely, polite, informative and solutions focussed within a reasonable time frame (within 2 school days). For CAPA specific enquiries and activities please email:

CAPA 2023 – Curriculum Outline

CAPA learning activities at Strathfield North Public School are programmed to align with the mandatory NSW syllabuses for students from Kindergarten to Year 6. This year your child will be learning about:

CLASSROOM CAPA PROGRAMS

Music Program

All students at Strathfield North Public School participate in music lessons allowing students to develop their playing, singing, listening and composing independently and within a class ensemble. These lessons are taught by music specialists and are aligned with the mandatory Creative Arts K–6 primary curriculum. Students experience playing a variety of instruments throughout their primary schooling while learning how to read music notation.
